1. The successful offer will be the highest amount of eligible work that is committed to on the permit lands during the first two years of the permit. The minimum expenditure requirement for the first two years is $2 per hectare for each year. Thus, the minimum work commitment for a Special Exploratory Permit is $4 per hectare.

In the case of the minimum work commitment set out in 1 (above), the work commitment is $4 per hectare and the proposed annual work amount is $2 per hectare. The deposit amount in this case is $0.50 per hectare (25% of the proposed annual work).

3. The annual rental amount is $0.25 per hectare ($35,880.00).

4. The hectares specified in this notice are approximate and will be revised when the disposition is issued. The expenditure deposit and rental submitted for the first year should be based on the published hectares. Rental and expenditure deposits for subsequent years will be based on the revised hectares.

5. The expenditure deposit and rental amount must be in the form of electronic debit (contact Revenue Operations Branch at (306) 787-6508 to implement this process), bank draft, money order or certified cheque from a chartered bank payable to Saskatchewan Industry and Resources.
